

# SMART HOME TECHNOLOGY PRESENTATION

The BCASWI Sales & Marketing Council invites you to come learn about the latest trends in Smart Home Technology.

This presentation is a great opportunity for builders, realtors, remodelers and anyone else that is interested in Smart Home Technology to learn more about what Smart Home Technology home owners want in their homes, which ones will help them with adding security, safety, comfort, social distancing, etc.

**AUGUST 19, 2020 - 11:00 AM**

**VIRTUAL MEETING**

You will receive a presentation invitation link after registering (see below).

**Cost:  
FREE**

**Reservations are required to receive the presentation link.**
